## WDS Details

WDS is our high school ministry. We meet at the Jennersville campus on Sunday nights from 6:30-8:00.

We hang out, grow in relationships, and learn about Jesus and the hope he freely offers while living in community with one another. We also have mid-week small groups where our students are split by gender and grade to dig deep into the Bible to learn more about Jesus and live in meaningful Christian community with other believers.

> If you have any questions, contact the Jennersville campus Pastor to students, Doug Walker.
